SKYWARN®

Basic Spotter Training Class

Tuesday
September 27, 2016
6 PM to 8 PM

Deltona City Hall
2345 Providence Blvd
Deltona, Florida 32725

The City of Deltona, in cooperation with the National Weather Service in Melbourne, will be hosting a Basic SKYWARN Spotter Training Class on Tuesday, September 27 from 6:00 PM to 8:00 PM.

SKYWARN Training is geared towards anyone with an interest in public safety and communications during extreme weather events.

SKYWARN is a program developed and taught by National Weather Service (NWS) Meteorologists and consists of trained weather spotters who report severe and hazardous weather to help in the weather warning process. SKYWARN Spotter reports provide vital "ground truth" to the NWS.

This is a FREE course that runs approximately 2 hours.

PLEASE NOTE: Pre-registration is not required. If you wish to attend please contact Scott Spratt at 321-255-0212 X223 or email scott.spratt@noaa.gov
